

# INITIAL SET-UP AND FIRST-TIME LOGIN

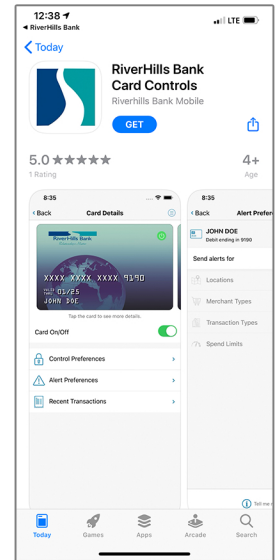

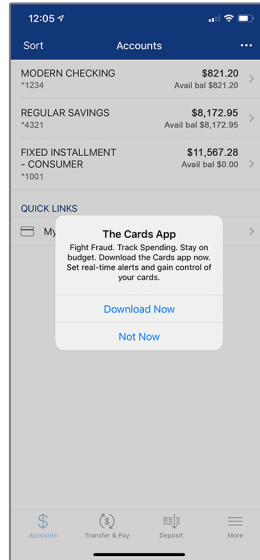

**OPEN YOUR RIVERHILLS  
BANK MOBILE APP & LOG IN**

**CHOOSE "MY CARDS" UNDER  
THE ACCOUNTS SCREEN**

**DOWNLOAD THE PARTNER  
APP CARD CONTROLS**

**Once the initial set-up is complete, you will be able to seamlessly access your debit card controls with a single sign-on through the RiverHills mobile app.**

**With Card Controls, you can set up alerts based on transaction amount, location, merchant type and more. You can also establish controls for spending, turn cards off if they're lost or stolen, and turn them back on when found.**
